

voice, and a glad hand slapped Bliss heartily on the shoulder.

"Why, Ross Evans!" exclaimed Bliss in surprise.

"That's who. Been east—among the big promoters. Your carrying that bill gave me a breathing spell. New company formed to carry on the project, your \$15,000 in my pocket, with interest, and—you noble fellow! You are one in a thousand. But the pretty little maid?"

"She has been my helper, my guide, my truest friend," pronounced Bliss fervently. "She has been my refuge, my inspiration through all my dark moments, but, tomorrow—"

"Thinking of something, aren't you?" railed the quick-thinking Evans.

"I am—and it is this: Dorothy shall become my wife—if she will have me."

And Miss Cleora Boyden returned wearied from a fruitless quest for a husband at the seashore, found "that beggarly brat" and Warren Bliss settled down happily in a beautiful home, with the money and the growing business to maintain it.

PLANKED SHAD

Clean and split a shad, put the skin side down on an oak plank one inch thick, or lay in baking pan. Sprinkle with salt and pepper and dot with bits of butter.

(For a shad weighing three pounds use one-half teaspoon of salt, one saltspoon of pepper, and two tablespoons of butter.)

If you use gas for cooking, place the shad under the broiler flame and cook fast for ten minutes, then lower the flame for eight minutes more. Shad may be baked in oven, allowing twenty-five to thirty minutes for a fish weighing three pounds.

Fry shad roe slowly in butter ten minutes, turning most of the time. Cut in slices and serve around the planked shad.

NEW COIFFURES WILL SHOW FOREHEAD AND EARS

The new coiffures show the hair almost invariably done high on the head, showing both the forehead and the ears. Colored wigs have already had their brief day.

SANDUSKY FIZZ.

Dissolve one glass of currant jelly in one cup of warm water. Into a tall glass put one tablespoonful of orange juice, a grating of lemon peel, a lump of sugar, plenty of ice, and half a glass of jelly water. Fill to the top with any carbonated water and serve at once.

INFATUATED

"She's head over heels in love with him."

"That so?"

"Yes, she's got to the point where she can't see how she can possibly live without the automobiles he owns."—Detroit Free Press.
